Nature Of Opinion

Docket Number: E-01345A-16-0036

Docket Position: Against

I oppose Mandatory Electric Surcharges first,because APS can sell thier excess electricity on the grid to support other states when thier demand is greater. Second,this charge would probably double the electric bill to most residential customers which would distroy thier budgets and cause great hardship to families and senior citizens who are on fixed incomes with no way to pay. It's the job of the AZ Corporation Commission to protect it's citizens from those who want to increase thier profits on the backs of others. I hope that you will force APS to look elsewhere to increase thier profits.THANK YOU!!!!
